Your Touchstone Energy® Cooperative 

Electric vehicle charging rate

Whether you currently own an electric vehicle or are looking to purchase one, MiEnergy Cooperative has great offers for members. Our electric vehicle charging rate can save you money over the standard electric rate when you charge during off-peak times.

As a bonus, members on this rate receive **four 100 kWh** blocks of Evergreen for **FREE**. This means a portion of the vehicle is charged using renewable sources.

Members on the EV rate also qualify for a **\$400 rebate** on the purchase of a **level 2** electric vehicle charging station.

Contact MiEnergy to learn more details about the electric vehicle charging rate and the charging station rebate: www.MiEnergy.coop/electric-vehicle-charging

POWER OUTAGES

GET NOTIFIED

MiEnergy offers power outage text notifications. Sign up online at www.MiEnergy.coop/outages. Select Power Outage Notification Sign Up and be prepared with your electric account number. The site will walk you through the set-up to have a text message sent to you when your power is out and another when power has been restored.
