

RECare Application

Applicants must meet all of the following qualifications:

- The applicant(s) must be a current MiEnergy Cooperative member who has an active account in their name for at least six months.
- The member must also reside in the Cooperative’s service area.
- A member is qualified by low-income level, which is established by federal guidelines.
- A member must first apply to their local community action agency.
- The money, if granted, is applied to the active electric account to be used for electric service only. No funds or refunds are disbursed to the individual.
- The program year runs from July 1 – June 30. Applicants must reapply yearly.

Assistance is offered per household with the minimum amount being \$100.00 up to a maximum of \$300.00 per year.

If you meet all the qualifications above, please complete the following:
