

Building a New Home?

The planning starts now for electric options!

Electric water heaters

- Co-op members can receive a FREE water heater with the construction of a new home.
- MiEnergy offers a FREE lifetime tank warranty and FREE service calls during normal business hours with the purchase of a water heater from the cooperative.
- No gas lines or venting required.
- Units are highly efficient and can be paired with electricity generated from renewable resources.
- When combined with the co-op's load control device it runs like a "smart appliance," providing stability and efficiency to the power grid by heating water when demand for electricity is low and storing it for later use.
- All water heaters on the storage strategy are powered by four 100 kWh Evergreen blocks for FREE.

Ask how to get a FREE 85 or 100 gallon Marathon electric water heater!

Appliances, lighting, etc.

- Rebates are available for several different electric appliances, LED bulbs and occupancy sensors.
- If you are looking to conserve water and electricity, check out the rebates available for water flow restrictors and smart power strips.
- All rebate forms can be found at www.MiEnergy.coop.

Visit our website for details!

Get an air-source heat pump

- Get more from your air cooling system with an air-source heat pump.
- Gain heating and cooling through every season with the purchase of a cold climate heat pump.
- Super efficient, it delivers up to three times more energy than the electricity it uses.
- When paired with a natural gas furnace, it qualifies for dual fuel electric rates.
- Achieve sustained savings through energy efficiency.

Ask about rebates available for heat pumps!

Green options for your home & ride

- If you're dreaming of greener options for powering your home and/or vehicle without the hassle of additional equipment, ask about our Evergreen and Renewable Rays programs.
- Consider having your garage pre-wired for an electric vehicle charger.
- A voluntary time-of-use charging rate for electric vehicles is available. This rate also includes four 100 kWh Evergreen blocks for FREE to charge your ride.

Rebates are available for electric vehicle chargers!

Home security & automation

- Leave installation to the professionals. Heartland Security makes owning and operating a home, farm or commercial security and video surveillance system easy.
- Add automation for energy efficiency.
- FREE, no pressure security analysis.

Call Heartland Security at 888-264-6380 and ask about MiEnergy member pricing!

All offers are subject to change. Contact your local electric cooperative for details.
